"I have heard of
your faith in the
Lord Jesus
and your love
toward all the
saints, and for
this reason I do
not cease to
give thanks for
you as I
remember you
in my prayers."

All Saints

November 7 we celebrate the Festival of All Saints. In worship, we remember those connected to our community who have died and those who were baptized into Christ in the past year. Additionally there will be time during worship to light candles to remember those saints in your own lives who have gone before us and now share in God's great heavenly banquet.

Ecumenical Thanksgiving

Join us as we host the Ankeny Ecumenical Thanksgiving Service on November 22, at 7pm. There will be a joint choir. We'll serve pie after worship. If you'd like to contribute a pie, please sign up here:

Healing Service—November 20

Our Lord Jesus healed many as a sign of the reign of God come near and sent the disciples to continue this work of healing— with prayer, the laying on of hands, and anointing. We will have special time for prayer and anointing with oil during our worship services on 11/19 and 11/20..

From the Pastor

Dear Resurrection People,
"You must understand this, my beloved: let everyone be quick to listen, slow to speak, slow to anger." -James 1:19

While there are quite a lot of ways that being a Christian runs counter to the culture around us, I think there may be none quite so striking as this instruction from James. Then, as now, sin tells us not to listen to others, but rather to jump to conclusions about what they are thinking or doing based on just a few interactions. Sin tells us to be louder than anybody else, quicker to sarcasm or biting one-liners than to sincere listening.

James tells us that if we are to live as beloved siblings in God's family, we must reject the urge to say whatever comes to mind and replace it with the commitment to listen. To misquote a famous musical: Talk less. Listen more. This isn't to keep our beliefs hidden away, but because James is wise enough to realize that being quick to listen and slow to speak also keeps us slow to anger. God gave us two ears and one mouth, and that should be a big hint to all of us that we need to listen more than we need to talk.

But who or what are we listening to? Well, our fellow beloved siblings in Christ, for one! The apostle Paul

tells us that we do that by "speaking the truth in love." On the surface, it may seem like speaking the truth in love for the sake of building up the body of Christ means that ideally, we will never say anything that will make someone else in the body upset. But you and I both know that this is not always a reality. Often, speaking the truth in love means saying exactly what we mean and exactly how we feel. Speaking the truth in love can only happen when we trust one another. Trust, above all, that the person to whom we're speaking is more quick to listen than to speak; in other words, that we will be listened to just as we commit to listen to others.

As we continue to do ministry together, James reminds us to do the hard work of listening more and speaking only to speak the truth in love with one another. This happens through speaking directly to the person with whom we need to communicate, even when we think what we have to say might make the other person upset. Because in God's family, we are quick to listen and when we speak, we speak the truth in love.

This also prevents the temptation to communicate through anonymous communication. It's impossible to listen, really listen, if communication happens second-hand. "Some people are saying..." means that

The cell tower fund balance is currently \$67,000. Proposal to invest \$50,000 of these funds in short-term CDs at an interest rate of 3%. The building for Christ fund balance is currently \$40,000. Proposal to invest \$40,000 in short-term CDs at an interest rate of 3%.

Bell Tower Requests: Request for a microphone with specific details forthcoming.

Board Highlights:

Social Ministry – E-Team: 40 people attended the Wednesday community meal in September. October meal is scheduled for Wednesday, October 19. Planning is ongoing for November shelter meal. E-Team has a new chair and they are currently working on reviewing Board descriptions.

Youth – Christian Ed: Both Boards met with Grace prior to her departure. Christmas program is scheduled for Sunday, December 4 at 4 pm.

W&M – Congregational Life: Attendance for the last two Saturday services was 15 and 10. Going forward, the U.S. flag and the Christian flag will both be displayed in the fellowship area and not the sanctuary. The Ecumenical Thanksgiving dinner will be held on Tuesday, November 22. Advent soup suppers are in the plans with details to come. More plates will be ordered for the soup suppers.

Property – Stewardship & Finance: Property did not

have a meeting this month but is going to start planning a monthly checklist for needs/duties.

OLD BUSINESS

Cottage Meeting Report: About 50 people attended the meetings. Details of meetings with specifics forthcoming.

Decide on Community Meal for November: Council will serve meal. Scheduled date for Wednesday, November 16. Food choices are TBD. Should hear by around November 7 as to whether RLC will receive a grant that would help with and increase advertising of the community meals along with helping defray some of the cost of the food.

NEW BUSINESS:

Youth/Family Minister Position: Discussion of what details need to be in place in order to move forward. Desire to craft a job description specific to the position was discussed along with seeing what comments come out of the cottage meeting reports with regard to the position. Pastor Beth was connected with an individual that may be a candidate. This person is currently obtaining his master's degree in children, youth, and family ministry. Discussion also included what potential hours would be best for the position along with maybe reshuffling some hours to Janice. With Pastors Beth's husband starting a new position with benefits, there is a potential to offer Janice benefits instead, with Pastor Beth and family being covered by her husband's company. Should that occur, a motion was brought to offer Janice benefits through Portico and was approved by council. Decide on November Meeting Time: With Election Day falling on the usual meeting day, next month's meeting is scheduled for Thursday, November 10 at 6:30 pm

Notes From E-Team: Discussion shelved due to time constraints.

Next Meeting is set for Thursday, November 10 at 6:30 pm

Meeting was closed after reciting the Lord's Prayer and was adjourned.

those people aren't giving themselves the chance to listen- or be listened to. When we do the hard, counter-cultural work of being quick to listen and slow to speak, we grow as a community. We might uncover disagreement and even conflict- but when we come to and through conflict with love, it leaves us stronger. As an added bonus, that extra listening and deliberate, loving speech means that it's way easier to be "slow to anger," something we can all appreciate!

So, beloved siblings in Christ, let us be quick to listen, slow to speak, and slow to anger.

2023 Service Learning Trip

2023 Service Learning Trip

The Youth Board is excited for the 2023 Service Learning Trip. All six through twelfth grade youth are invited to participate in a Service Learning Trip to Milwaukee, July 16-20, 2023.

Why Milwaukee? MKE is the hidden gem of the Midwest! With Lake Michigan access, amazing food, and a rich history, Milwaukee is an amazing place to explore. Although the city is vibrant and historical, this is an area that struggles with homelessness, food deserts, and segregation.

Possible service opportunities in MKE include serving at one of various food banks, working in a community garden, reading to kids, and serving community meals. You will learn about organizations working to support individuals affected by trafficking.

At the time of registration, youth are required to pay a \$100 deposit by November 7. Youth are also expected to attend and participate in all fundraisers. The \$100 payment can be paid by cash or check (written out to RLC with service learning trip on the memo line).

Pies Needed—also Soup Suppers and Fellowships

We are looking for volunteers to bring pies! Our Ecumenical Thanksgiving Service is Tuesday, November 22 and we are in need of pies. If you're interested in signing up,

you can do so online or at church: <https://www.signupgenius.com/go/10c0b4fabaa22a2fd0-thanksgiving>. Please have your pies to church no later than 6:45pm on November 22. If you do not want to bring a pie but would like to help serve/ cleanup, please reach out to Sarah Nelson-sarahkeller07@gmail.com.

Please keep your eyes open, we will have our weekly soup suppers during Advent. We will need lots of volunteers to bring soup. Signups will be posted in church for soup, bread, etc. in November.

As always, we could use awesome people to bring treats or to help serve the treats during our weekly Fellowship time. As you may have noticed, if no one is available to help serve/clean up, then we may have to go without treats. It takes a village, and the more hands we can have, the easier it will be to continue providing treats. To sign up you can find a sheet at church or online.

Please reach out to Sarah Nelson with any questions.

Worship & Music values freedoms and sacrifices that our flags represent. Along with the ELCA recommendation we suggest that the US flag and Christian Flag

Pub Theology

On Thursday, November 17 at 7:00 pm we will have a gathering of Pub Theologians at Uptown Garage Brewing, 305 SW Walnut.

If you're just hearing about Pub Theology for the first time, we meet at 7 pm and discuss a current event through the lens of Christianity (material emailed prior to the meeting).

While that may sound daunting and potentially very intellectual, it is also (and perhaps, primarily) a time of fellowship and being in community with church

friends. If you are not particularly a "beer fan" they also have wine, seltzers, and soft drinks on the menu.

Whether you have joined in the past or want to give it a try this time, please make sure to send your current email address

Community Land Trust (CLT) for Polk County, IA

Housing that remains affordable forever

Skyrocketing housing prices are creating the need for additional housing solutions--even for middle income buyers. CLT's are a way that our children, grandchildren and friends will be able to afford a home now...and into the future.

Don't miss learning about Community Land Trusts!

Wednesday, November 16 and Thursday, November 17 at Grace United Methodist Church, 3700 Cottage Grove, Des Moines.

In addition to sessions open to the public, there is a session for AMOS institution members on Thursday at 6:30pm. **All attendees MUST pre-register.**

Register at <https://forms.gle/wN3czHEKhWvw88ck6>

These meetings are brought to you by AMOS and the City of Des Moines. (AMOS is a broad-based, nonpartisan, interfaith community of 50 diverse member organizations (<https://www.amosiowa.org/>)).

Please send questions to: Cheryl Long, amosevents@ucdsm.org

Book Club

The RLC Book Club will meet on Thursday, November 17, at 1:30 P.M. in the Fellowship Hall at the Church. We will discuss the book *The Boy at the Top of the Mountain* by John Boyne. Join us then...and let's read!

Bring your beverage and...Let's read!

Community Meal

On Wednesday, November 16, RLC will host a free community meal from 5:15-6:45 pm. All are welcome. If you'd like a good meal or a friendly conversation, we've got you covered. See you there! Bring a friend!

Adult Education

Throughout November, we continue to learn the story of God's partner people through *Manna & Mercy*. On November 6, we'll read and consider how God's people finally reached the promised land and settled down to live as God taught them in the Wilderness. On November 13, we'll discover that following God's instructions didn't last very long: the people wanted to be ruled by a king, not partner people with the King of Kings. On November 20, we'll see how God sent messengers, called prophets, to lead the people back to God's way of manna and mercy. On November 27, we will enjoy a Thanksgiving break-- no class!

Christmas Program

Mark your calendars for a musical and theatrical performance, featuring members of all ages sharing their talents so we can hear the story of the birth of Jesus again together. The program is December 4 at 4pm, with cookies to follow.

Benevolence

In October the benevolence committee donated \$800 worth of Fareway gift cards to the Ankeny Service Center, \$500 to Ellipse, and \$500 to Reggie's Sleepout.

Thankoffering Service—November 13

Beginning in the late 19th century, Lutheran women were given small Thankoffering boxes to place in a special location in their homes as a visible reminder of blessings received. Women would add coins to those boxes almost daily as particular blessings were noted. From their use came the idea of an annual church service to celebrate their collection, and so the women of the congregation would come together for a Thankoffering service.

In the Lutheran tradition, the General Synod's Women's Home and Foreign Missionary Society created their first Thankoffering service in 1889 to celebrate

the 10th anniversary of the organization. At that first Thankoffering, \$6,100 was collected. Today, Women of the ELCA collect more than \$1 million in Thankofferings annually for the ministries and mission of our women's organization.

RLC will have an opportunity to celebrate the Thankoffering tradition in worship on November 13. Any special offerings made will support the WELCA in creating Bible studies, worship materials, small group resources, and other publications available free of charge to individuals and congregations.

AMOS

SAVE THE DATES!

Wednesday, November 16 & Thursday, November 17
Seminars on How Community Land Trusts (CLTs)
Create Permanent Affordable Housing. This is something exciting for AMOS church members/institutions. On these days, AMOS and the city of Des Moines will bring Grounded Solutions, the experts in Community Land Trusts (CLT's), to Des Moines for a series of meetings to inform attendees of the benefits of CLTs.

CLT'S are a way to create affordable housing that stays affordable forever and looks like other properties in the neighborhood so it's welcomed by the neighbors!

How is this possible? With the purchase of a CLT home, the buyer purchases only the structure on the property and a trust holds the land. If the owner later wishes to sell, the owner agrees to accept only a portion of the increase in value in order to preserve affordability for the next buyer. The owner may also choose to pass the property along to his or her heirs.

While this is a new idea for the Des Moines Metro, it is in use in 225 other communities in the U.S. and is

now an integral part of how other communities are dealing with skyrocketing real estate prices. CLTs have a proven track record of:

- offering affordability in perpetuity
- providing for successive lower-income buyers with every property
- preserving the diversity and quality of life in our city
- slowing gentrification
- saving tax dollars for the city and county

Whether you are hearing about CLT's for the first time and want to learn more or are a seasoned advocate for affordable housing, plan to attend one or more of these informative trainings on November 16 and 17. There will be more details soon, but you'll want to get this on your calendar. Feel free to email me should you have questions!
